

My Viewpoints on the Heathlands Garden Village Planning Process by Phil Riches

Although I am not in favour of the development, I wish to present some of my opinions on the architecture that will be chosen to try and minimise the damage to the surrounding area and to create a charming new garden village that fits in and looks as great as it can.

Styles of architecture approved in Maidstone which I feel are totally out of keeping and should be avoided....

This new development shows how to create new apartments in a traditional style that resembles an old mill...

Local architecture styles for inspiration from Lenham, Charing, Hollingbourne and Harrietsham. Developers should look at these to ensure that their design styles are sympathetic....
